

Dear Ms. Davis,

This is in response to your letter dated November 9, 2010 with respect to Graves for Congress, ID no. C00359034.

A review of reports in 2008 cycle identified several issues that resulted in filing amended reports for those periods. That review revealed a data input error that resulted in improperly listing a debt of \$10,000 to the Graves for Victory Committee. This transaction did not occur. It was reversed on the amended second quarter 2008 report by deleting the entry. Contemporaneously with this communications we have filed an amendment for the first quarter of 2008 report that removes the erroneous entry of the debt.

If you have any additional questions, please let me know.

Jean Paul Bradshaw
Treasurer
